

About Aqualon	Aqualon is a two-ply Polyester Duck with a Vinyl Resin Top Coat and a durable water resistant coated underside. Aqualon comes in 60 inch width
Easy Cleaning Instructions	Cleaning: Vacuum or brush to remove dust and dirt. Prepare a cleaning solution of 1 tbsp. liquid dish detergent mixed with a gallon of clean water. Clean fabric with a sponge or cloth dipped in the cleaning solution. Rinse thoroughly with clean water, and let air dry. Avoid direct contact with oils or petroleum based products, if possible. If direct contact occurs, clean promptly.
